

## Overriding Authorisation of resale - Pass'Portes du Soleil MTB 2021

**In view of this unusual situation surrounding the Covid-19 health crisis** and pursuant to the French act of the 12 March 2012, article 3, the organisation of sporting and cultural events, **the organisers allow the resale of tickets, under certain circumstances**, in order to facilitate everyone's organisation.

The participants with a ticket for the 2021 event are allowed to sell it at a price equal to or lower than the one payed at the time of the acquisition on the official registration website. **By no means, the resale price can be higher than the initial value.**

The organisers want to emphasize that this type of transaction must remain infrequent. They are not guarantor of the financial transactions and will not be held responsible in case of litigation.

**The form below must be completed by the initial owner of the registration.** In case this owner would have several registrations, they would have to complete as many form as they sell registrations.

**This authorisation must be completed, then sent to the buyer, as well as to the organisers of the event through the email address [vtt@portesdusoleil.com](mailto:vtt@portesdusoleil.com)**
